Big D's **Drip Deodorant System** attacks odors at their source neutralizing them before they become airborne. This efficient and economical system dispenses a biodegradable liquid deodorant which continually attacks and eliminates all odors.

This system is completely automatic and easy to use. It will provide around the clock deodorization of all urinals and toilet bowls.

*Big D offers a complete line of products for
thorough cleaning, disinfecting
and odor control.*

DRIP DEODORANT DISPENSER

Made of tough, flexible and easy to clean polypropylene, the #735 dispenser is molded in one operation and have no moving parts to provide many years of trouble-free operation. Comes complete with all hardware for easy installation. Automatically dispenses consistent level of deodorant fluid into urinals and toilet bowls.
