

Venue™ Countertop Napkin Dispenser

Thank you for choosing the Venue™ napkin dispenser from San Jamar. We appreciate your business and are confident that Venue™ will improve the image and efficiency of your operation. Enjoy!

TO LOAD DISPENSER

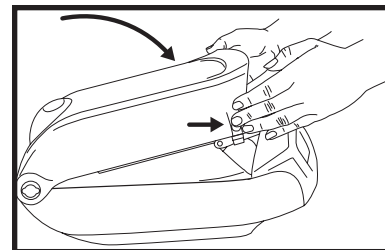

1. Open cover by pressing in on both sides of cover and swing cover up and back.

2. Using thumb hold, move pressure plate to back of unit **until locking tabs engage.**

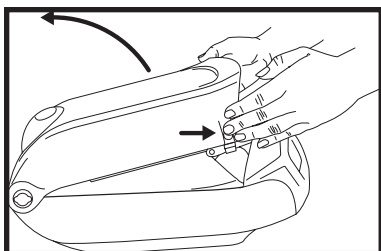

3. Load dispenser with desired napkins.

WARNING: Do not close cover when pressure plate is in locked back position if dispenser is empty.

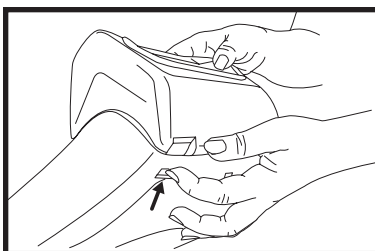

4. Close cover. **NOTE:** Pressure plate carriage will automatically release when cover is closed, applying pressure to napkins.

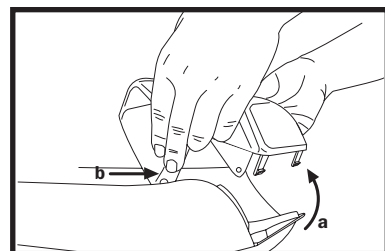

REMOVING FACE

1. Open cover by pressing in on both sides of cover and swing cover up and back.

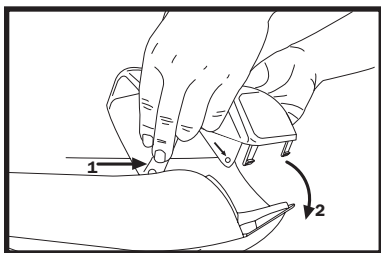

2. Locate 2 tabs under front of face and depress upward into base one at a time.

3. Rotate face up and back (a). Press in on both sides of face at pivot points until clear of posts and remove faceplate (b).

INSTALLING FACE

1. With cover of dispenser open, locate 2 pivot posts on inside front of base. Press in on face to secure face to posts.

2. Rotate front of face down, locking tabs on bottom inside of base.
